

## WELCOME TO MEMPHIS' USTA FLEX LEAGUES!

Memphis Flex Leagues (Singles, Doubles & Mixed Doubles) are open to 18 and Over adult players. The goal of Flex Leagues is to have fun, get to know local players and provide an opportunity to improve your game in a casual, relaxed setting. This league has flexible scheduling, meaning matches are scheduled each week with the opponents when it is convenient for all players to play (date, time and court location). Playing in Flex Leagues will **not** affect your NTRP. Each "team" consists of one player (for singles) or two (for doubles). Membership is required to play for singles/doubles (not required for mixed).

**Registration: Spring opens January 1st and Fall opens August 1st**

**League Fee: \$19.15** (includes \$16 league fee, \$3.15 TennisLink processing fee)

### Registration Instructions for USTA Members and Non-Members:

1. Go to the [TennisLink](#) website and login to your account. If you do not have an account you can create an account at the same link. Self-rate if needed.
2. Once you are logged into your account, the top of the page will say "Welcome!" and your name. Follow the red arrow in the screenshot below for next steps.

The screenshot shows the TennisLink website interface. It features a top navigation bar with a 'Help Center' link. Below this, there are four main content areas: 'Start Playing' (with 'REGISTER WITH A TEAM #' and 'FIND & SIGN UP FOR A LEAGUE' buttons), 'Stats and Standings' (with a search bar and 'ENTER SCORES' button), 'Find NTRP Rating Info' (with a search bar and 'SELF RATE' button), and 'My Quick Links' (a sidebar with links like 'Local League Coordinators', 'Team Management', 'National Championships', 'Online Team Creation', 'USTA League Tennis Rules', and 'Browse Leagues'). A red arrow points from the 'SELF RATE' button to the 'What level am I?' link in the sidebar.
